

GIRI INSTITUTE OF DEVELOPMENT STUDIES, LUCKNOW

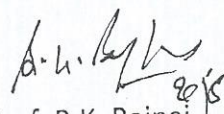

8th May 2018

Corrigendum

The Institute had invited Tender/Sealed Quotations on 19th April 2018 and extended further for Hiring an Agency/Organization for conducting field survey through TABLET twice an year in 22 districts of Uttar Pradesh for the research project – "Concurrent Evaluation and Monitoring of Doubling of Farmers' Income by 2022-23 in the State of UP".

As the sponsoring Agency has not allowed ^{for} conducting the survey work for the project from an outside agency, the Institute has decided to withdraw/cancel the said Notice which was published in our website on 19.4.2018

All the agencies/organizations are informed not to submit the Tender/Quotation for the same as it deemed to be cancelled.

Prof. B.K. Bajpai
