Date: 16 September 2026.

Notice Inviting Quotation for Piecemeal Work for

Creation/Development and Maintenance of Dynamic Android Application

Sealed quotations are invited from technicians / software engineers / reputed and experienced firms / vendors with a proven track record of working with Government / Semi-Government/ Reputed Private organizations, Universities, or Research Institutes for the design, development, and maintenance of a dynamic Android application integrated with a web portal for a Filed Survey-Based Research Project.

Detailed specifications, terms, and conditions are provided below.

Interested parties (vendors / firms / technicians/software engineers) are requested to submit their sealed quotations, duly typed and superscribed as **“Quotation for Design and Development of Dynamic Android Application”**, addressed to:

The Director,
Giri Institute of Development Studies,
Sector–O, Aliganj,
Lucknow – 226024
Uttar Pradesh

The quotations must reach the Institute on or before 22 September 2026. The Institute reserves the right to accept or reject any or all quotations without assigning any reason thereof.

DIRECTOR
Giri Institute of Development Studies
Lucknow

Quotation Invitation for Design, Development, and Maintenance of Dynamic Android Mobile Application for Collection of Data, Analysis, and Report Preparation for a Longitudinal Research Project at Giri Institute of Development Studies, Lucknow (GIDS)

The Giri Institute of Development Studies (henceforth GIDS) invites quotations from eligible and experienced firms/vendors/technicians/software engineers for the **design, development, and maintenance of a dynamic Android Mobile Application** to support field survey and data collection (approximately 150 questions) of more than 10,000 households for research project titled **“Socioeconomic and Political Status of the OBCs in Rural Uttar Pradesh.”**

Interested parties (vendors / firms / technicians/software engineers) are requested to submit a quotation for the same in accordance with the specifications and terms outlined in this document.

Name of the Services	Specifications/ Scope of Work
Design, Development, and Maintenance of Android Mobile Application to support Field Surveys, and data collection and analysis, and dynamic report preparation.	As per this document

1. General Information about Quotation and Submission

- 1.1. **Important Dates:** Bidders are required to strictly adhere to the prescribed timelines for bid submission. Any deviation from the stipulated schedule shall not be entertained. The Institute retains the authority to revise or modify the timetable as necessitated by prevailing circumstances.

Particular	Details
Date and time for downloading the bid document:	16 September 2026
Deadline for the submission of bids:	22 September 2026
Date and time for the opening of Financial Bid / Technical Bid:	23 September 2026

2. Bid Submission

- 2.1 Bidders are required to submit two distinct bids: **a Technical Bid and a Financial Bid. The Technical Bid and Financial Bid must be prepared and placed in two separate sealed envelopes, clearly marked ‘Technical Bid’ and ‘Financial Bid’, respectively. Both the sealed envelopes shall then be placed together in a single larger sealed outer envelope.** The Technical Bid shall include all requisite documents as specified in in **Section 3.2** and its respective Annexure.
- 2.2 The Financial Bid must be prepared strictly following the format prescribed in **Annexure-VII**. Tender documents outlining the scope of work are available for reference. **Please note that any submission containing only a single consolidated bid (Financial and Technical Bids together) will be summarily rejected.**
- 2.3 Address for Communication and Bid Submission: Giri Institute of Development Studies (GIDS)
Sector-O, Aliganj
Lucknow – 226024, Uttar Pradesh, India
Telephone: 0522-4001615, 0522-4001667

3. Eligibility Criteria

- 3.1. **Mandatory Qualification Criteria:** To participate in the procurement process, each bidder must satisfy the following minimum eligibility requirements:

Sl. No.	Basic Requirement	Specific Requirements	Documents Required
---------	-------------------	-----------------------	--------------------

I	Legal Entity (for Company/Firm)	To be eligible for participation, the bidder (if associated with a company/firm) must be a legally recognized entity under one of the following statutes: ▪ A company registered under the <i>Indian Companies Act, 1956</i>; or ▪ A partnership firm registered under the <i>Indian Partnership Act, 1932</i>; or ▪ A limited liability partnership registered under the <i>Indian Limited Liability Partnership Act, 2008</i>; or ▪ A proprietorship firm duly registered with the Goods and Services Department.	Copy of Incorporation Certificates / GST Registration Certificate
II	Tax registration and clearance (for Company/Firm)	The bidder must possess valid registration numbers for the following: a. Goods and Services Tax (GST), corresponding to the location of their business operations; and b. Permanent Account Number (PAN), issued by the Income Tax Department of India.	Copies of GST Certificate, and PAN
III	Mandatory Undertaking (for Company/Firm)	All bidders must adhere to the following conditions: a. Financial Solvency: Bidders shall maintain financial solvency and must not be insolvent, in receivership, bankrupt, or subject to winding-up proceedings. They must not have their business activities suspended or be involved in legal proceedings of a similar nature. b. Legal and Ethical Standing: Neither the bidder nor any of its directors or officers shall have been convicted of criminal offenses relating to professional conduct or the submission of false statements within the preceding three (3) years. c. Conflict of Interest: Bidders must avoid any conflict of interest as defined in the bidding document. d. Code of Integrity: Bidders are required to comply fully with the Code of Integrity specified in the bidding document.	Each bidder shall submit a duly signed <i>Self-Certified Declaration Letter</i> in the format prescribed under <i>Annexure – V (Self Declaration)</i> . This declaration must affirm compliance with all eligibility conditions, statutory requirements, and codes of integrity as specified in the tender document.
IV	Technical Requirements	A proven track record of working with Government/Semi-Government organizations /Reputed Private / IT Firm, Universities, or Research Institutes for the design, development, and maintenance of a dynamic Android application integrated with a web portal.	Work contract / certificate or any other document(s) to prove the claim.

3.2. Document Requirements:

All bidders must submit the following documents along with their proposals:

- a. A copy of the notice inviting quotation.
- b. An undertaking by the bidder (on letterhead only, in case of company / firm), affirming that s/he or his/her company/firm is not blacklisted.
- c. The completed Technical Bid format.

- d. A signed copy of the terms and conditions.
- e. Copies of valid registration certificates, including GST and PAN (in case of a company/firm).
- f. A signed copy of the Acceptance of Tender/Conditions Form.
- g. Proof of work credential (academic qualifications, experience certificate, work contract etc.).
- h. Details of service charges must be provided exclusively in the Financial Bid. The rates quoted and finalized shall remain firm and unchanged for the entire duration of the contract.

4. Scope of Work

A. Dynamic Form Generation

- Use metadata-driven design (e.g., JSON structures) to define survey questions and formats. This allows forms to be updated without modifying the app code.
- Implement data binding frameworks to separate User Interface (UI) from business logic, making the app more maintainable and scalable.

B. User Interface & Experience

- Provide a real-time preview of survey forms during creation to reduce errors.
- Ensure responsive layouts that adapt to different screen sizes and orientations.
- Include offline functionality so surveys can be conducted in areas with poor connectivity.

C. Data Validation & Accuracy

- Implement validation rules (e.g., numeric ranges, mandatory fields, character limits) to ensure data quality.
- Use error prompts and inline validation to guide enumerators during data entry.

D. Integration with Android Ecosystem

- Ensure compatibility across multiple Android versions and devices to maximize reach.
- Integrate with Google Play security standards to protect user data and maintain compliance.

E. Security & Compliance

- Encrypt sensitive survey data both in transit and at rest.
- Follow data protection regulations (such as India’s DPDP Act, 2023) for handling personal information.
- Provide role-based access control for administrators, enumerators, and supervisors.

F. Performance & Scalability

- Optimize for low-resource devices often used in field surveys.
- Use lightweight Application Programming Interfaces (APIs) and caching mechanisms to handle large datasets efficiently.
- Design for scalability, allowing the system to handle thousands of concurrent survey submissions.

G. Maintenance & Updates

- Build with **modular architecture** so new survey modules can be added easily.
- Provide **remote configuration options** to update survey forms without redeploying the app.
- Maintain **version control** for survey templates to track changes over time.

5. Technical Specifications

Sl. No.	Platform Support (OS)	Details
i	Android	Field Surveys and Data Collection Application
ii	Web-based	Web-based Platform for managing Survey Forms, users/ enumerators / supervisor creation, data validation, analysis, and report preparation
iii	Web Server	To provide required cloud hosted web server

6. Technical Bid

6.1. Specifications Annexure – I: Technical Bid

The bidder shall submit a comprehensive Technical Bid that demonstrates his/her/firm's capability to:

6.1.1 Design, Develop, Deploy, and Launch: Undertake the design, development, deployment, and launch of the Android Mobile Application in strict conformity with the specifications outlined in the Scope of Work.

6.1.2 Maintenance and Rectification: Provide full responsibility for maintenance, correction, and rectification of the application from the date of successful development until the completion of the project, ensuring uninterrupted functionality and compliance with performance standards.

Annexure – I: Technical Bid

Sr. No.	Particulars	Details (to be filled by the bidder)
a.	Name of the bidder	
b.	Principal place of business	
c.	Address with telephone numbers, fax numbers, etc.	
d.	Date of incorporation and/or commencement of business	
e.	Name of partners/directors/ proprietor	
f.	PAN number	
g.	GST registration number (in case of a Company/ Firm)	
h.	Name, designation, postal address, email address, phone numbers, etc., of authorized signatory of the bidder if other than proprietor.	
i.	Contact details of individuals who will serve as the point of contact/communication in case of the contract awarded.	
j.	Details of Technical Capability and Efficiency (Activities undertaken so far, please provide their details in points / bullet points)	

6.2. Terms and Conditions

- 6.2.1. The bidder must submit their quoted rates strictly in the *prescribed format* provided with this tender notification.
- 6.2.2. Bidders shall structure their financial quotation to fully cover all expenses and cost components specified in this document, including GST.
- 6.2.3. All bid submissions shall be made strictly in *sealed envelopes*.
- 6.2.4. Any bid submitted after the stipulated deadline shall not be considered and will be summarily rejected.
- 6.2.5. The service charges/rates quoted by the bidder shall remain firm and valid for the entire duration of the contract, including any extensions thereof, as may be granted by the Institute. No revision, escalation, or alteration of the quoted rate shall be permitted during this period.
- 6.2.6. Each page of the tender document must be duly signed and stamped by the bidder. The complete tender document shall be submitted on or before the specified date, and any delay in submission shall be solely the responsibility of the bidder. All tender documents must be properly signed and stamped, and any alterations or insertions made therein must be duly authenticated by the bidder.
- 6.2.7. Bidders shall have the liberty to be present, either personally or through duly authorized representatives, at the time of opening of the tender, as specified in the Tender Notice. The presence of bidders or their representatives shall be recorded, and no objections regarding the tender opening process shall be entertained thereafter.
- 6.2.8. Any violation of the terms and conditions specified in this tender document shall result in cancellation

of the work contract without any further obligation on the part of the Institute, including payment.

- 6.2.9. Any direct or indirect attempt by the bidder to influence, negotiate, or otherwise interfere with the official or authority to whom the tender is submitted, or with the tender-accepting official/authority, prior to the finalization of the tender process, shall render the bid liable for outright rejection.
- 6.2.10. The GIDS reserves the absolute right to accept or reject any tender/bid, in whole or in part, without assigning any reason thereof. The Institute further reserves the right to impose, amend, or relax any of the terms and conditions stipulated in this tender/bid at its sole discretion. Such decisions of the Institute shall be final and binding on all bidders.
- 6.2.11. The payment for the work/services shall be released by the Giri Institute of Development Studies (GIDS) in phased installments, commensurate with the progress achieved at each stage of execution. The specific schedule and quantum of payments shall be determined and stipulated at the time of finalizing the work contract.
- 6.2.12. The selected bidder/firm/company/technician/software engineer shall be obligated to submit to the Institute the complete source code, application architecture, and all related design templates of the Android mobile application developed under this contract, in a usable and editable format, upon completion of the first phase field survey, data collection and dynamic report preparation.
- 6.2.13. The field data will be collected from eight districts of four major economic zones of Uttar Pradesh. The Android application will be employed for the collection of household data. The role and responsibilities of the bidder will remain the same until the project ends.
- 6.2.14. **Arbitration**
 - 6.2.14.1. In the event of any disputes or differences arising between the parties, efforts shall first be made to resolve the matter amicably through mutual discussions or conciliation facilitated by the GIDS. Such conciliation shall be undertaken in good faith with the objective of reaching a fair and equitable settlement prior to invoking any further dispute resolution mechanisms.
 - 6.2.14.2. If mutual discussions or conciliation fail to resolve the dispute, the aggrieved party may initiate arbitration proceedings by appointing a sole arbitrator. The Giri Institute of Development Studies (GIDS), or an authority duly deputed by GIDS, shall serve as the arbitrator. The arbitration proceedings shall be conducted in accordance with the provisions of the *Arbitration and Conciliation Act, 1996* (as amended from time to time), and the decision of the arbitrator shall be final and binding on both parties.
- 6.2.15. The Giri Institute of Development Studies (GIDS) reserves the right, though not obligated, to conduct capability assessments of the bidder(s) and to carry out pre-dispatch inspections at the bidder's cost. These rights include, but are not limited to, seeking technical demonstrations, presentations, and live site visits to verify the bidder's competence and readiness. Failure to satisfactorily clear the capability assessment shall result in immediate disqualification of the bidder from the tender process.

6.3. Reasons for Bid Rejection:

The bid(s) shall be liable for rejection in case of any one or more of the following conditions:

- a. Bids submitted by bidders who do not satisfy the pre-qualification requirements outlined in this document.
- b. Bids that are incomplete in any respect or conditional in nature, failing to comply with all specified requirements of this document.
- c. Bids received after the last date and time stipulated in this document.
- d. Bids submitted in unsealed covers, unsigned bids, bids signed by unauthorized persons, or bids containing corrections that are not duly signed.
- e. Bids containing erasures or overwriting, except where corrections are duly authenticated by the authorized signatories of the bidder.
- f. Submission of misrepresented, incorrect, or false information in the technical proposal, whether accidental or deliberate, at any stage of contract processing or during the tenure of the contract, including any extension period.

7. Bidder Evaluation Criteria by GIDS

- a. Technical competence
- b. Relevant experience
- c. Presentation/interaction performance
- d. Financial quotation

7.1 Selection of the Bidder

The selection of the successful bidder shall be carried out through the Quality and Cost-Based Selection (QCBS) method. Under this method, the final ranking of bidders shall be based on a combined evaluation of the Technical Bid (70%) and the Financial Bid (30%).

Only those bidders who satisfy all eligibility requirements specified in Section 3.1 and submit all documents prescribed under Section 3.2 shall be considered for technical evaluation.

7.2 Technical Evaluation

The Technical Bid shall be evaluated out of 100 marks by the Evaluation Committee constituted by the Institute. The following criteria shall be adopted:

<i>Sl. No.</i>	<i>Criterion</i>	<i>Marks</i>
1	Work Experience (below 5 years = 10; 5 – 9 years = 20; 10 years and above = 30)	30
2	App development Assignments* (below 5 years = 10; 5 – 9 years = 20; 10 years and above = 30)	30
3	Engagement in Government / highly reputed national/international IT firm(s) as an App developer / software engineer	10
4	Presentation and Interaction	30
1 to 5	Total	100

Note: * See 'Annexure-I' for marking.

7.3 Minimum Qualifying Technical Score

A bidder shall be required to obtain a minimum of **70 marks out of 100** in the Technical Evaluation to qualify for the opening of the Financial Bid.

Financial Bids of agencies securing less than **70 marks** shall not be opened and shall be returned unopened after completion of the selection process.

7.4 Calculation of Technical Score

The technical score of each qualified bidder shall be converted into a weighted technical score using the following formula:

$$\text{Weighted Technical Score (TS)} = \{(\text{Technical Marks Obtained} \div 100) \times 70\}$$

Where, Technical Marks Obtained = Marks awarded by the Evaluation Committee out of 100, and The Maximum weighted technical score = 70 marks.

Example:

Suppose a bidder has secured **82 marks** in the Technical Evaluation. Thus, the bidder's weighted technical score would be $TS = \{(82 \div 100) \times 70\} = 57.40$.

7.5 Financial Evaluation

Only the Financial Bids of technically qualified bidders shall be opened. The bidder quoting the lowest evaluated financial quotation (L1) shall receive the maximum **financial score of 30 marks**.

The financial scores of the remaining technically qualified bidders shall be calculated using the following formula:

$$\text{Financial Score (FS)} = \{(\text{Lowest Financial Quote} \div \text{Financial Quote of the Bidder}) \times 30\}$$

Example:

Bidder	Financial Quote (₹)	Calculation of Financial Score
A (Lowest)	60,000	$(50,000 \div 60,000) \times 30 = 25.00$
B	50,000	$(50,000 \div 50,000) \times 30 = 30.00$
C	1,00,000	$(50,000 \div 1,00,000) \times 30 = 15.00$

7.6 Final Composite Score

The final score of each technically qualified bidder shall be computed by adding the weighted technical score and the weighted financial score.

$$\text{Composite Score (CS)} = \text{TS} + \text{FS}$$

Where, TS = Weighted Technical Score (Maximum 70), and

FS = Weighted Financial Score (Maximum 30)

The bidder obtaining the highest Composite Score (CS) shall be ranked '1' (first) and shall ordinarily be recommended for award of the contract, subject to successful verification of documents and fulfillment of all conditions of the tender.

7.7 Tie-Breaking

If two or more bidders obtain the same Composite Score, the bidder with the higher Technical Score shall rank higher. If still tied, the bidder with greater relevant experience in large-scale social science field surveys shall rank higher. The Institute's decision shall be final.

Annexure – II: Details about the Bank Account of the Bidder [to be filled by the bidder.]

Sl. No.	Particulars	Details
I.	Name of the firm/bidder:	
II.	Account No.	
III.	Name of the Bank:	
IV.	Branch Name:	
V.	IFSC code of the Bank:	

Annexure – III: Tender Acceptance Letter [to be filled by the bidder.]

To
The Director,
Giri Institute of Development Studies (GIDS),
Lucknow - 226024,
Uttar Pradesh.

Date:

Subject: Acceptance of Terms & Conditions of Tender.

Dear Sir,

I/we hereby acknowledge that we have duly downloaded the tender document(s) pertaining to the design, development, and maintenance of a dynamic Android Mobile Application to support field surveys and data collection for the research project titled “*Socioeconomic and Political Status of the OBCs in Rural Uttar Pradesh*” from the Institute’s designated website.

I/We further certify that we have carefully read and understood the entirety of the tender documents, including all annexures, schedules, and other enclosures, which collectively form part of the contract agreement. I/We hereby undertake to abide unconditionally by all terms, conditions, and clauses contained therein.

I/We expressly and unreservedly accept the tender conditions, corrigenda, and stipulations in their entirety.

In the event of any violation of the provisions of this tender at any stage during the execution of the work, I/we acknowledge and accept that the Institute shall be at liberty to reject our tender/bid, forfeit the full amount of the Earnest Money Deposit (EMD), and that I/we shall have no claim or right against the Institute in satisfaction of this condition.

Thanking you,
